FORTINUS GLOBAL HUMAN RIGHTS PROCESSES AND PRACTICES

Fortinus Global Ltd and its associates actively supports the human rights of all our associates, clients and colleagues. We do not condone forced or child labour.

We do not discriminate against people for any reason including, race, sex, gender or sexuality. We actively promote equal opportunities for all our associates and colleagues and respect the right of all our employees, workers and subcontractors to freely and voluntarily establish and join organisations of their own choice including unions and comply with the Living Wage..
